

Eklutna Draft Fish and Wildlife Program Comment Form

Name, Agency/Organization (optional): Email:

Marylee Hayes, Resident of Eagle River, Alaska

Write your comments on the Draft Fish and Wildlife Program here:

I Trust that the Fish & Wildlife Plan, proposed for The EKLUTNA River, will be to "By All means" include a long term VISION of meeting the Needs of the SALMON, the EKLUTNA Peoples, and be according to the legal obligation, to Mitigate any projects' impact on our Fish and Wildlife.

* Releasing only 3%^{or so} of The Historic River Flows will Not provide enough Fish passage and restore the River's Salmon. I think any decision ^{should} prioritize Restoring the River's Salmon AS SOON AS possible.
