

# Eklutna Draft Fish and Wildlife Program Comment Form

Name, Agency/Organization (optional):    Email:

Write your comments on the Draft Fish and Wildlife Program here:

The Eklutna Dam should be left alone.  
It is fiscally irresponsible to spend 40 million dollars of hard-earned taxpayer money on something that is working well. People need energy and water. To spend forty million dollars minimum and get 10% less energy for a few fish is not a good return on our money. It would be criminal to be so reckless with our tax dollars. The Eklutna Dam should be left alone.
